* Depending on PC performance, file size and other settings. Testing by Buffalo Technology compared to a 4200 RPM USB Hard Drive
** 300 GB model 4200 rpm

Shock Resistant Chassis

The tough, impact resistant plastic case provides the outer layer of protection

Inside the MiniStation, the hard drive is surrounded by shock absorbent materials. The "Floating" design absorbs shocks and minimises vibration.

Convenient Wrap Around USB Cable

Wrap USB cable around the case and never misplace your cable again.
